## Make it a unique Valentine's Day!

Wed Feb 14th • 6-8:30pm

The most unique Valentine's date ever — or bring the whole family! Come share Kaos Pizzeria owner and falconer Patrick Mangold-White's passion. Enjoy a bird-themed pizza special, and we're donating 15% of the proceeds to Nature's Educators to help them feed and care for their raptor ambassadors!

Ever wonder how fast a Falcon can dive, why an Owl can turn its head around 270 degrees, or how much power is in an Eagle's talons? Meet multiple raptors and learn what makes them so amazing, including a Kestrel, Screech Owl, Turkey Vulture, and Barn Owl.
